Sliding Window - 280

Trend Series

When the standard range requires a commercial specification for premium applications and beyond.

Easy to operate and timeless in design, Trend Series Sliding Windows are a premium choice.

Trend Series Sliding Window - 280

The Trend Series Sliding Window suite has been designed to provide a clean and streamlined appearance with its squared mullions and glazing beads.

With the use of adaptors, the Trend Series Sliding Window can be double glazed to offer an enhanced level of thermal comfort and performance.

Being part of the Trend Series allows integration with a complementary selection of sliding, awning and double hung windows for a whole-of-house solution.
