

Trend Series

Sliding Door - 284

Trend Series

When the standard range requires a commercial specification for premium applications and beyond.

Easy to operate and timeless in design, Trend Series Sliding Door are a premium choice.

Trend Series Sliding Door - 284

The Trend Series Sliding Door offers a high degree of design flexibility. Complemented with high quality hardware plus excellent structural and weather performance, it has been designed to suit Australia's wide range of climatic conditions. Integrated insect or barrier screening options and double glazing capabilities ensure the Trend Series Sliding Door can be tailored to your exacting requirements.

As part of the Trend Series, it can be integrated with a complementary selection of sliding, awning and double hung windows to provide a total window solution.
