

Trend Series

High Performance Sliding Door - 900

Trend Series

When the standard range requires a commercial specification for premium applications and beyond.

Easy to operate and timeless in design, Trend Series High Performance Sliding Door are a premium choice.

Trend Series High Performance Sliding Door - 900

Trend Series High Performance Sliding Doors are designed to achieve the ultimate combination of architectural style and performance. Engineered to withstand Australia's harsh conditions, they are recognised as some of the best performing doors on the market, tested for heavy use commercial and residential applications.

Trend Series High Performance Sliding Doors are designed to support fashionable large door constructions and offers extremely low air infiltration when closed. Incorporate with either sliding security or standard screen doors, to introduce more light and air without compromising on safety.
