

Trend Series

Front Entry Door - 225

Trend Series

When the standard range requires a commercial specification for premium applications and beyond.

Easy to operate and timeless in design, Trend Series Front Entry Doors are a premium choice.

Trend Series Front Entry Door - 225

The Trend Series Front Entry Door is a 46mm pocket glazed commercial door panel capable of hinge and pivot door configurations, and has been designed with flexibility, performance and ease of assembly in mind.

Each door is engineered to withstand Australia's harsh conditions, all tested for heavy use in both commercial and residential applications. Available in single or double glazed units as well as an option for wide stiles.

Features and Benefits
